

# STEEL FRAMING

PRECISION ENGINEERED

## CORE CAPABILITIES

- Light Gauge Steel Framing (LGS)
- Exterior Curtain Walls
- Interior Non-Load Bearing Partitions
- Load-Bearing Mid-Rise Structures

## TECHNICAL SPECS

- Cold-Formed Steel (CFS) Engineering
- BIM Modeling & Clash Detection
- Precision Cut-to-Length Studs
- High-Performance Acoustic Ratings

## THE SUPERIOR ADVANTAGE

- Fire & Mold Resistant Materials
- Accelerated Construction Schedules
- Zero-Waste Manufacturing
- Full Structural Engineering Support
